

GOOD FRIDAY 2020

We have reached the saddest day of the Church year. This year it seems especially sad as we cannot join together to talk, and think, and sing, and pray.

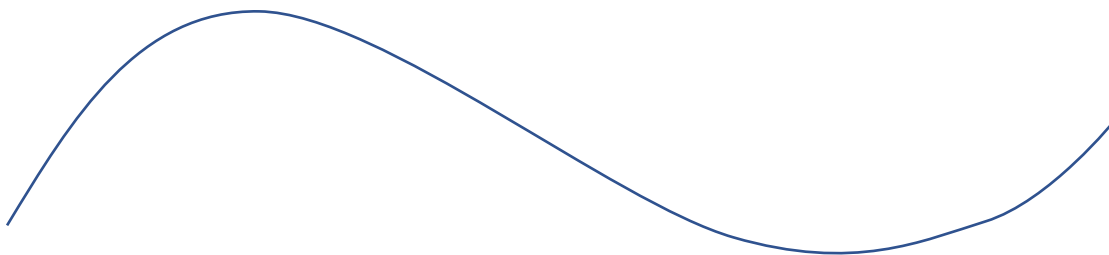

Here is a prayer which helps us think about Holy Week.

Dear Father God,

This week we have ridden into Jerusalem with Jesus. We have heard the stories he told his disciples. We have sat around a table with Jesus's friends. We have seen the events in the garden when Jesus was arrested. Now on this Good Friday we stand at the foot of the Cross with the women who were with Jesus to the end.

May we always follow in your footsteps.

Amen

Building a bridge

Jesus died for us to make a bridge between God and humans.

On the next page you'll find some pictures of bridges.

Can you design your own bridge below?

A large empty rectangular box for drawing a bridge design. The box is a simple black outline on a white background, intended for a student to draw their own bridge design.
